### Thierry Rauw

Vice President Internal Audit  
Mastercard

*"The world of Internal Auditing is a very small world, globally, and even more so within Belgium. I have been an active member and speaker at the IIA Benlgium CAE Club for the last 3 years. The IIA Belgium CAE Club is a great forum and format for IA Leaders in Belgium to network, discuss key themes and experiences, and keep pace with latest developments for the profession."*

### Peter De Troyer

International Internal Audit Manager  
Certis Belchim BV

*"The CAE club, organizes meetings with peers from different industries, cultures and generations. Various IA risks and/or opportunities are discussed and commented in detail by both internal and external experts. As a member I also have the opportunity to put topics on the agenda that keep me awake as a CAE."*

*In addition, this forum naturally has its value as a network within the IA world, both nationally and internationally. F.e. lately the President and CEO of the Institute of Internal Auditors Global joined our meeting to share and discuss the IA landscape of the future. Personally, I think sharing knowledge with colleagues is the greatest asset of this CAE club."*
