Join us

- **Executive membership** *is exclusively open for Chief Audit Executives in Belgium.*
- **Regular membership** *is open to anyone involved in internal auditing, internal controls, risk assessment, information System auditing and related fields. This also covers people that have an interest in internal auditing e.g. members of Audit Committees. Dues are personal and non-transferrable.*
- **Retired membership** *is open for individuals who are not active anymore. They must send a supporting document from their latest employer attesting that they are retired from their internal audit position and do not have an Internal Audit function in the company.*
- **Student membership** *is open to anyone engaged full time in the study of internal auditing or related courses at Universities or three-year College. Students must send each year copies of educational and professional qualifications with their application and attestation from school.*

More than a membership

At **IIA Belgium**, we are privileged to have a vibrant community of members who are passionate about advancing the field of internal auditing and driving excellence in their professional endeavors. We are proud to share testimonials from some of our esteemed members who have experienced the value and impact of being part of our community.

These testimonials highlight the diverse experiences and benefits enjoyed by our members. By joining IIA Belgium, you become part of a dynamic community where you can connect, learn, and collaborate with like-minded professionals who are dedicated to pushing the boundaries of internal auditing.

Patrick De Boom, *"I am grateful to have served as the Vice-President of IIA Belgium. My role was to promote the profession and to generate greater awareness of the important work that we do."*

Francine Dublet, *"Being part of IIA Belgium as a co-organizer of the Small Audit Shops allows me to contribute to the development of the internal audit practice and community."*

Laurens Van Overmeiren, *"IIA Belgium provided me with opportunities to advance in my career, collaborate with colleagues, and enhance my visibility in the internal audit world."*

Pieter Mafranckx, *"IIA Belgium offers me the opportunity to expand my network with super interesting people from all walks of life in the internal audit and related professions."*

Koen Albers, *"IIA Belgium is providing excellent training on (emerging) risk topics such as ESG, Project Management, Data Privacy and Fraud Risk Governance."*

Become a member today
